Cradio keymap (legacy) — overview

Fn — hold **Spc** (left thumb)

Nav — hold **Enter** (left thumb)

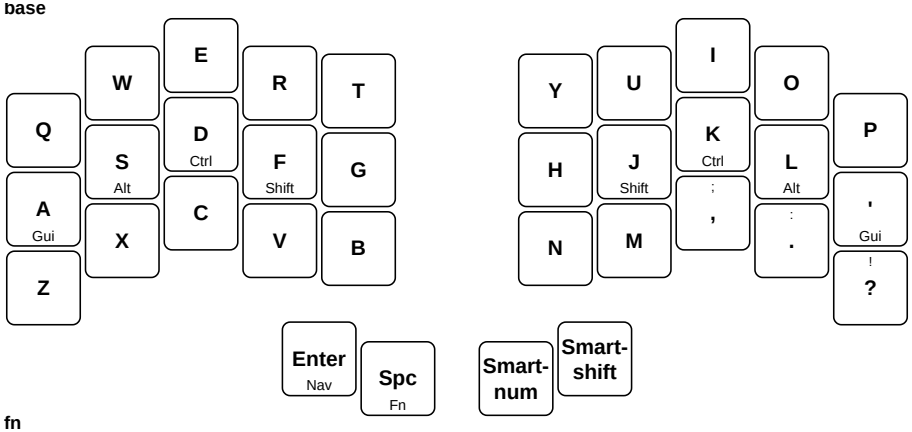

Num — **Smart-num**: tap = num-word, hold = while held

Sys — hold **Smart-num**, then **Spc**

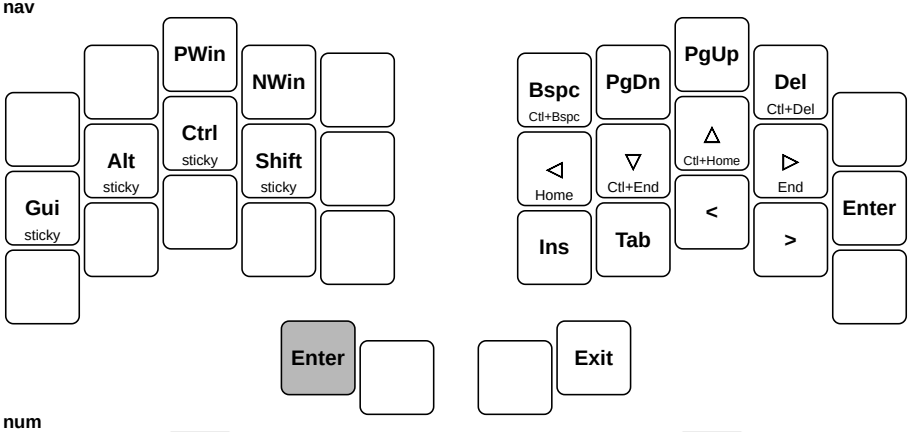

Black combos (e.g. **Bspc** = 7 + 8) only work on the Num layer.

Cradio keymap (legacy) — every layer

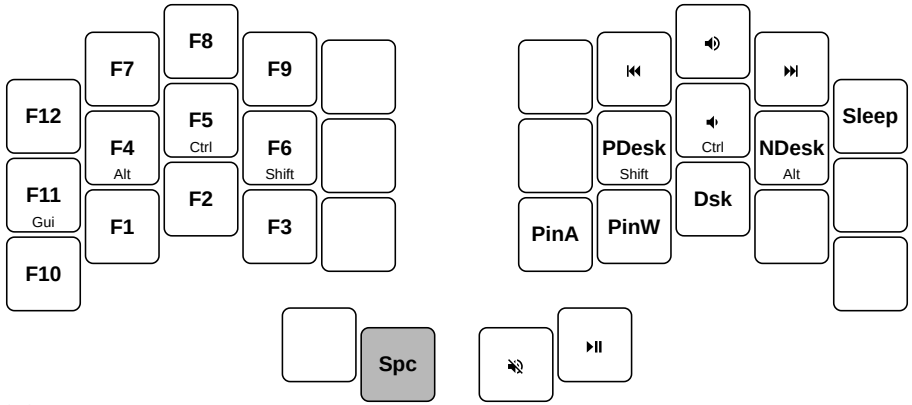

base

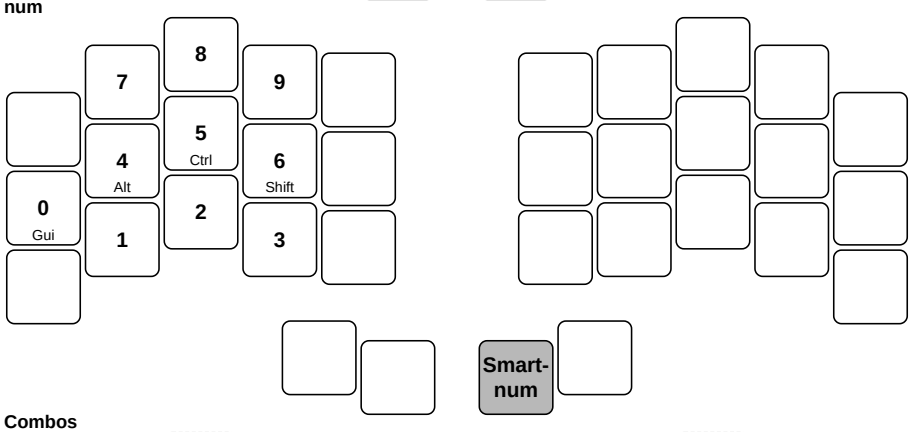

nav

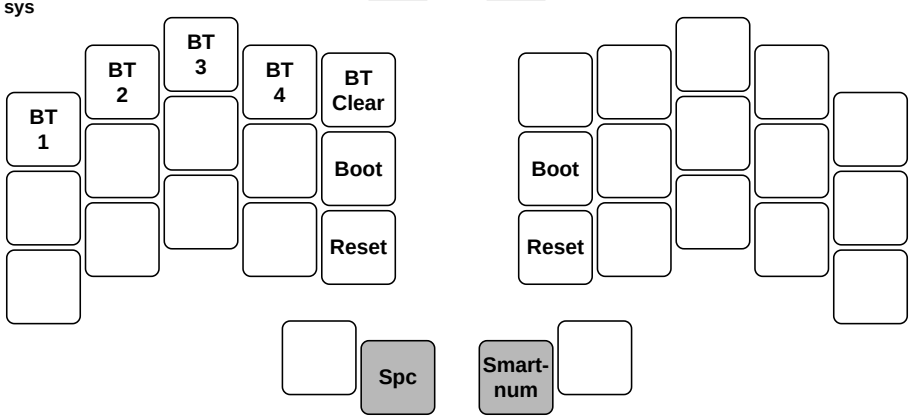

fn

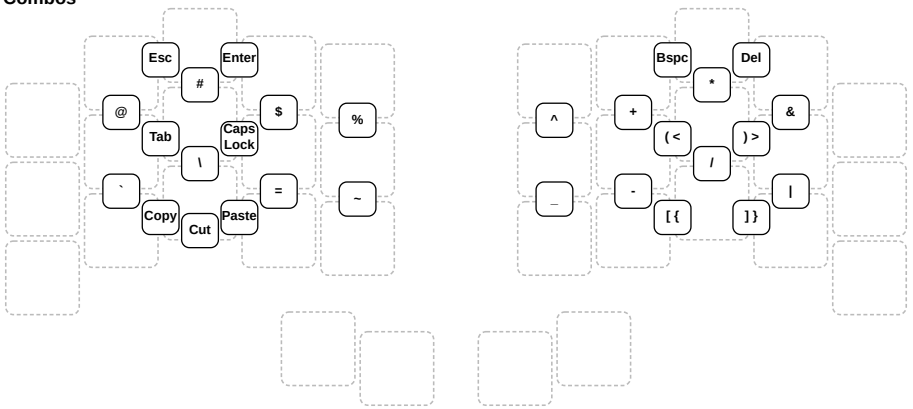

num

sys

Combos

grey key = the key you hold to reach that layer (Sys: hold Smart-num, then Spc).
